# 16<sup>th</sup> Meeting of the Asian- Pacific Society for Neurochemistry

## Young Investigator Speakers Instruction

Thank you for participating in a symposium for the 16th meeting of the Asian-Pacific Society Neurochemistry (APSN) to be held VIRTUAL, online. We are very much looking forward to your presentation.

Please fully read through the information at the right side to start so you'll be fully prepared to submit your presentation and get the best results from our virtual event.

Here is what you need to do:

### STEP 1:

#### RECORD YOUR SESSION.

Preparing to self-record is easy. Each speaker has 10 minutes for their talk with 5 minutes for questions and answers. Launch your Zoom account, you can choose your background [here](#) and appropriate environment, and start record. Be sure to choose in "LOCAL RECORDINGS" and to send the recorded video file to this [DROPBOX LINK](#)

**You can also visit our website video submission [INSTRUCTION](#) page for your recording preparation**

### STEP 2: CHECK YOUR INBOX.

In the next few days, you will receive an email from the Secretariat to confirm your recorded video is well received. You will have until

**[30 Nov 2021](#) TO UPLOAD YOUR COMPLETED RECORDING.**
